## How To Measure Yourself For A Great Fit

We recommend buying belts two sizes above your pant size. So if you usually wear pants with a 34" waist, get a 36" belt.

## Doesn't Fit?

At timberland.com, our goal is simple: We want you to feel as confident in your order as we do in our product. And you can, because we stand behind every product we make. You may return merchandise purchased online for size, fit or style reasons within 60 days of shipment of your order, provided it has not been damaged, washed, altered or worn.
