## Ultimate complete audio integration with Lowrance SonicHub™

With the innovative Lowrance HDS® High Definition System you can enjoy all the benefits of the SonicHub™ docking station on a crystal clear display.

### Easy to control and install

The intuitive HDS interface combines a sunlight viewable color screen (up to 10") with the ultimate in functionality and ease of control.

Lowrance SonicHub™ is simple to install with no need to cut holes in the helm for an audio head unit, making it the perfect choice for craft with limited space. Just hook up the

SonicHub™ to your HDS using the supplied NMEA 2000® network cabling, plug in the speakers and you're ready to Rock Your Boat™.

## Stylish speaker package

The Lowrance SonicHub™ system comes with two stylish, marine grade 6.5" high power 200W low magnetic speakers for the ultimate in music on the move. With the option to add a subwoofer, the Lowrance SonicHub™ delivers maximum performance audio for a minimal price.
